

PINE CONE BIRD feeder

With YaoYao and Ami Schakel from Do It Green! Minnesota

SUPPLIES NEEDED:

- Large pine cones
- Smooth peanut butter
- Spreading knife
- Seed mix
- Twine
- Scissors
- Pan
- Paper lunch bag

INSTRUCTIONS:

1. Collect Pine Cones that have large pieces to hold peanut butter.
2. Tie twine on pine cone upside down so you can add peanut butter on the scales.
3. Scatter seeds onto pan.
4. Spread peanut butter on the pine cone and roll in seeds to cover.
5. Package in a paper bag and staple to give as a gift.
6. Put extra seeds in a smaller bag for refilling pine cone.
7. Hand in an area birds can access, but squirrels cannot!
