

seed PACKETS AS GIFTS

With YaoYao and Ami Schakel from Do It Green! Minnesota

SUPPLIES NEEDED:

- seeds (flowers, milkweed, native plants, vegetables)
- scissors
- ziploc baggies
- sharpie marker
- small seed envelopes
- mailing labels printer paper
- measuring spoons or teaspoons
- create a mailing label template with a photo of your plant and planting instructions or write them by hand on a sticker or on the envelope

INSTRUCTIONS:

1. Watch **Harvesting with Permission Video** before harvesting seeds.
2. Dry harvested seeds in open bags or cookie trays until fully dry so they do not mold
3. Using measuring spoons to scoop seeds into envelopes and seal well.
4. Put label on seed packets.
5. **Give seed packets as gifts to teachers, friends, neighbors, and family!**
